

# Intention and impact

Handout DN6

## Intention

What might be the playwright's intentions? What do you want to focus on? What do you want to show? What do you want to say? What is the play going to be about? Who is your audience? Where will you stage this?

## Impact

What sort of impact do you want to have on an audience? What do you want them to feel? What do you want them to think? How should they leave the experience? What do you want to remain with them?
